Discussion:

Review the following Executive Session Meeting Minutes:

It was explained that a public body may convene in executive session to review and approve executive session minutes. A public body may convene in executive session under the original purpose for the executive session, or it may convene in executive session pursuant to G.L. c. 30A, § 21(a)(7) “[t]o comply with, or act under the authority of, any general or special law or federal grant-in-aid requirements” (“Purpose 7”), citing to the Open Meeting Law, G.L. c. 30A, §§ 22(f), (g). That section of the Open Meeting Law requires public bodies to review executive session meeting minutes and allows them to withhold executive session minutes and documents used therein from the public until the purpose for confidentiality has expired.

Selectman Sendrowski moved to retain the following executive session minutes as confidential and assert both exemption (a) (exempting records that are specifically or by necessary implication exempted from disclosure by statute) and exemption (c) (personnel records) under the public records law.
