SEE COMPLETED APPLICATION NARRATIVE

#### Required:

- a) Market Conditions to support Housing Production
- b) Additional Conditions Needed to Build Support  
Examples of conditions that indicate need may include, but are not limited to:
  - i) Municipal staff seeking assistance to engage community around housing production,
  - ii) Local advocacy group seeking assistance to engage community,
  - iii) No existing coalition,
  - iv) High level of organized opposition preventing municipality from moving forward with efforts to produce housing,
  - v) Close votes on zoning and development proposals, or
  - vi) Missed opportunities identified
- c) Evidence of Support by Municipality  
Please identify the key municipal government staff or department that will work with CHAPA staff on the Municipal Engagement Initiative. **Community Organizations must include a Letter of Support from the Municipal Government with the application.** If you have questions about this requirement, please contact Dana LeWinter at [dlewinter@chapa.org](mailto:dlewinter@chapa.org).
