Subject: 40R Standards List
Attachments: LANCASTER 40R Standards List.docx

Hello – attached is a list/questions I’ve started as I’ve gone through the bylaw template. It’s not complete but it’s a start to go with the existing bylaws and standards I sent yesterday. I would recommend having the design standards right in the bylaw, rather than a stand-alone document. Then the rules, etc. are all contained together instead of two documents to look at. It’s your call though.
