Review and Approve Minutes - Minutes approved October 4, 2021

Chapter 61A Discussion – Peter provided an updated list of Chapter 61A properties in Lancaster, he will try to provide maps for our next meeting for review. There was discussion of different properties and size of parcels.

Other Business – Peter received notice of a presentation “Farmland of Local Importance” from the Nashua River Watershed organization for Tuesday, February 8, 2022 at 9:00 am. Ag. Comm. Members could not attend on such short notice.

Peter also discussed an Article on Toxic “forever Chemicals” found in Michigan farm's beef. Some discussion around this as some farms in Massachusetts use fertilizer made with wastewater biosolids. These fertilizers according to Mass save are safe, these chemicals are not tested out of the plants, ultimately the farmer is responsible for any contamination in their properties soil.
