**Review and Approve Minutes** - Minutes approved September 20, 2021

**Chapter 61A Discussion** – Peter provided maps of 61A Properties in Lancaster that if they ever came available for sale/first right of refusal the Ag. Com. would recommend the Town purchase certain properties.

The Selectmen were meeting this same evening and on the Agenda was 61A Property at 0 Deershorn Road under review for first right of refusal. Ag. Com. feels this is one of the better properties to be kept as active Agriculture property should the town acquire this property the Ag. Com. would like to see it leased to a farmer. Also the responsibility for Ag. Properties to fall under the Agricultural Commission. The contract between the farmer and Town should include that the farmer updates the nutrients in the soil with PH and lime and there should be a nominal fee for record keeping.

**Other Business** – No new business.

**8.00 p.m.** Adjourned
