

COD Meeting Minutes
September 20, 2022

Members present: Chair Mike McCue, Daryl Blaney, Lesley Allison

Volunteers present: Pat Maguire, Jim Peters

1. Emergency Preparedness Guide: Mike sent a copy of the guide to several town entities and has had a low response rate at this time. It may be difficult to get everything approved in time for October. The Thayer Memorial Library team proofread the entire guide. Mike met with the Thayer Memorial Library regarding a poster display in the reference room.
2. Lancaster Accessibility Awareness Month (LAAM):
 - a. Village Church: Daryl is giving a PowerPoint presentation highlighting the theme of Emergency Preparedness on October 1st at 11am.
 - b. First Church of Christ Unitarian: Lesley is giving a five minute presentation highlighting the theme of Emergency Preparedness in the service on October 2nd at 10am.
 - c. Thayer Memorial Library: There will be a poster display in the reference room featuring portions of the Emergency Preparedness Guide. There will also be a book display with topics related to disability.
 - d. If the Emergency Preparedness Guide has appropriate approval, an introduction to the town via a method such as a public forum may be considered. Unfortunately, there are many uncertainties present at the moment so it is unclear where or when this may happen. Mike to discuss with town officials.
3. Town matters
 - a. Flashing lights have been installed at the crosswalks located at Bigelow Gardens and The College Church.
4. August Minutes were reviewed and accepted with minor changes.

Meeting adjourned: 7:32pm

Respectfully Submitted,
Lesley Allison
