If you receive a similar notice, please tell them to call DOR at 617-887-MDOR (6367) and learn the facts about what is owed and the options for resolving the situation

Start the week right! Monday classes

Gentle Tai Chi & HathaYoga

Tai Chi @ 9:30 am Mondays

The ancient art of **tai chi** uses gentle flowing movements to reduce the stress of our lives and improve health. If you're looking for another way to reduce stress, consider tai chi (TIE-chee). Tai chi is described as "meditation in motion" because it promotes serenity through gentle movements – connecting the mind and body. Developed in China for self-defense, tai chi evolved into a graceful form of exercise that's now used for stress reduction and to help with a variety of other health conditions. Tai chi is a non-competitive, self-paced system of gentle exercise and stretching. *In the Garden (weather permitting) or indoors. Wear comfortable clothes.*

Jeff Cote: has been a guest lecturer at Northeastern University for graduate studies in holistic health, & is the Founder, & Director of the Traditional Arts Institute.

Hatha Yoga @ 11 am Mondays & NOW Thursdays @ 11 too!

After a Tai Chi class your yoga will be better than ever! At least try one. Get the week started with gentle **Hatha yoga**. All ages, and abilities will benefit from this yoga class. Yoga is widely recognized as a way to improve balance, improve posture, keep your range of motion, improve clarity of mind and reduce stress. *Held on the Lower Level, we provide mats and water!*

Louise Dorian has taught hatha yoga since 1989, Louise Dorian was originally certified by the Ayurvedic Whole Life Center in Brookline, Mass. She has since evolved her own unique style of teaching, incorporating the detail and precision of Iyengar yoga, the gentle, approach of Kripalu. She has taught in corporate settings for over 10 years.
