In order to ensure staff and public health, municipal facilities will remain closed for at least another 2 weeks and a re-evaluation of opening to the public will occur at that time, which is June 1, 2020.

The Town will be continuing to monitor activity locally and statewide as we follow the guidance developed by Governor Baker and the Department of Public Health.

We look forward to a gradual re-opening to the public

Most importantly, stay safe!

Orlando Pacheco  
Town Administrator
