UPDATE

June 1, 2020

Dear Lancaster Residents:

As part of the first phase of the state's reopening plan to reopen due to COVID 19, all municipal buildings will be closed to the public until at least June 6th; the town is considering tentatively opening by appointment only. During this time please utilize phone and email to conduct Town business. There will be staff available to coordinate requests from residents. We urge all residents to take precautions in following all social distancing with all persons, including employees and remain 6 feet apart and require face covering or masks.

We are asking that the public use our on-line resources for on-line payment and contact us via email and telephone with any questions that you may have for us. Residents are encouraged to use the on-line services and the drop box for bill payment. Again, other business will be conducted by phone or email.
