Dear Town Administrator Orlando Pacheco:

It is with great pleasure that I inform you that your community has been awarded a **\$135020** grant through the Community Compact Cabinet's (CCC) Information Technology grant program. The competition for funding was intense. Your application was chosen because it met the overarching goal of driving innovation and transformation at the local level via investments in technology.

Lieutenant Governor Polito, who serves as Chair of the Community Compact Cabinet, and I want to congratulate you for becoming a "Compact Community" and striving to make your community a better place by virtue of implementing best practices. Your participation not only provided you with technical assistance, but it also places you in a more competitive position for other state grants, such as this IT program. I am glad to see your community taking advantage of the benefits the CCC program offers.

Attached are the grant documents that need to be completed in order to get the funds to your community. These should be sent to Sean Powers at the Division of Local Services as soon as possible, but no later than **November 16**.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael J. Heffernan".
