

DEPARTMENT OF PUBLIC WORKS

Meeting November 4, 2019

Minutes

In attendance: Courtney Manning, Chairman

John King, Board member

Kevin Bartlett, DPW Superintendent

Call meeting to order at 5:30PM.

Table minutes from 10/7/19 until next meeting, member Doug DeCesare not in attendance.

HWY:

New street sweeper arrived, and we are waiting for the registration. Department is getting trucks ready for the winter. We have plenty of sand and salt at the moment. Tomorrow, November 5th, paving will be done under the bridge on Main Street and possibly Bull Hill Road.

WTR:

Department replaced a lead service, otherwise work is steady.

59 Parker Road requested an abatement. The residents do not have a pool, and have two kids. They came by and received blue tablets to check for leaks in the toilets. The residents declined to test the meter.

Discussion was tabled until the next meeting pending more information from the water foreman, Steve Jones.

CEM:

C2 was taken out to get a tree, and the transmission started leaking. Kevin Lecompte looked at it and advised not to fix it, as cost ballparks around \$6,000. The frame is also cracked. It is on capital to replace this year. Supt. Bartlett is currently looking for a used truck in the meantime. Hudson DPW is selling one in decent shape but needing a rear end.

The crew from Shirley prison was in for 2 days last week. On Friday they did storm clean up. Only two or three branches fell in the wind storm. The crew should be back this week or next.

Superintendent's Correspondence:

All departments are working well together. A couple people have applied for the plow driving position for this season. Supt. Bartlett will be on vacation November 26th- December 3rd.

New business not anticipated to be discussed:

Chairman Manning requested photos of the new sweeper be posted on the Facebook page for residents to see. Road cut permits are to be closed for the year.

Member King asked for an update on the street light on Beech Point. Supt. Bartlett passed it on to the planning director.

Public Comment:

Next meeting will be November 18th.

Motion made to adjourn meeting, all in favor. 5:53PM
