1. Open Meeting Law Complaint – Received May 21, 2019

Chair Rich asked Michael Antonellis to read the complaint into the record. Mr. Antonellis read the complaint and then went through the Attorney General’s list of directions regarding reviewing Open Meeting Law violation complaints.

Chair, Jeanne Rich, asked the board members present if any three members have met together separately outside the confines of a posted meeting.

Each member present indicated that they had not.

Bob Baylis was absent from the meeting and was the subject of the complaint submitted by Robert Lidstone.

The board directed Michael Antonellis, planning Director, to respond in writing to the complaint on behalf of the board.

Mr. Antonellis offered suggestions on how to respond and to take action as to prevent future confusion regarding open meeting law and to prevent violations from taking place.
