

TOWN OF LANCASTER, MASSACHUSETTS

APPLICATION FOR OUTDOOR HYDRONICS HEATER PERMIT

Effective October 9, 2008, the Lancaster Board of Health voted to institute the requirement of a permit for the installation of any new **Outdoor Hydronic Heaters** in the Town of Lancaster.

Permitting will ensure that the unit and installation are in compliance with all local and state Building Codes, Zoning By-Laws, Fire Prevention Regulations, and state Board of Health Regulation 310 CMR 7.26(50)-(54) Outdoor Hydronic Heaters.
