

Dear Lancastrians:

After careful consideration and discussions with senior town officials the Library will no longer provide a pick up service for Town residents.

Like you we are concerned about the health and safety of staff and the citizens we serve.

This is a difficult decision for us to make but considering the present circumstances I believe it's the correct one.

The Library plans to reopen on April 6th at 10am. We hope we will see everyone then.

Please continue to check the Library's website and facebook page for updates.

I will be working from home and checking my email regularly. I am happy to help you access the Library's many electronic resources.

Best wishes to you and yours,

~joe
