

Consistent with the directives to close establishments and events over the next three weeks MassDevelopment has postponed the operations for April for the Regional Household Hazardous Products Collection Center. The Devens HHW website and voicemail are updated. Please make sure you link to the www.DevensHHW.com for the most updated information.

The collection center collaborative has the following wording in its intermunicipal agreement with members:

6. Responsibilities of Participating Communities.

(e) At all times, MassDevelopment reserves the right to place reasonable restrictions on the use of its facilities and infrastructure in order to protect the health, safety and welfare of the public.

Next planned collection:

Use it up, Give it away, or Take it here: www.DevensHHW.com
