Awaken Your Senses: Write Outside Your Door, with Corrine Smith

**Saturday, June 15, 2019
10:30 a.m. – 12:30 p.m.
Thayer Memorial Library**

Get your nature fix, practice mindfulness, shuffle off stress, and become more creative! This is a session that leads us outside to use all of our senses, to be mindful and to pay attention, and to write about what we experience. We will "discover" the neighborhood with fresh eyes and ears. First, we'll do a few exercises to get our creative juices flowing. Then we'll explore the natural areas behind the buildings. Along the way, we will use all of our senses to increase our awareness and to relieve daily stresses simultaneously. We won't have to go far to find interesting material. Participants are guaranteed to see, hear, and touch something brand-new and intriguing this time, even if they are familiar with this place. And they'll come away with partial or finished pieces of writing or artwork, too. Feel free to bring your own journal or sketchbook. Small journals and writing utensils will be provided. This session will last at least 90 minutes.

Corinne H. Smith is a writer, speaker, and outdoor educator. She is the author of two books and a variety of articles about American author Henry David Thoreau. She has contributed nature-oriented posts to The Roost, the blog for Thoreau Farm: Birthplace of Henry David Thoreau. She lives in Gardner, Massachusetts.

Intro to Geocaching

Date: Saturday, July 27th

Time: 9:00 to 11:00AM

Location: Cook Conservation Area (off Route 70)

Do you enjoy Hiking? Nature? A good treasure hunt? You might want to try your hand at geocaching. During this 2-hour long program you and your family will be introduced to the world of Geocaching. Geocaching is sort of an outdoor game of hide-and-seek. Geocaching is played using a GPS enabled device, such as a handheld GPS or smartphone, to point to a set of GPS coordinates. Once you are close to the coordinates you have to use your wits to discover the “hide.” This is a fun activity your entire family can enjoy together almost anywhere with over 2.5 million geocaches hidden throughout the world! Please join the Lancaster Recreation Committee at Cook Conservation Area on July 27th to start your adventure!

- Dress for the weather including shoes that can get wet and clothes that can get muddy. Tick bite prevention is always wise. Optimal protection includes: long pants, long sleeves, pants tucked into socks, and permethrin-treated clothing.
- Must be able to walk on uneven terrain
- Pre-registration required, limited space available. To register please contact Andrea Kiuru-Shepherd at ashepard@lancasterma.net
