Mass. Military Hero Fund Item Drive

At Thayer Memorial Library in Lancaster Ma

- The Massachusetts Military Heroes Fund is a private, non-profit organization dedicated to providing support to the families of military personnel with ties to Massachusetts who have died as a result of active duty service post 9/11/2001.
- Help MMHF create 1000 care packages for Massachusetts troops serving abroad and local veterans struggling with homelessness by donating these "wish list" essentials. MMHF has asked communities to collect the following items:
 - Instant powdered drink mixes – must be single serve or travel sized only
 - Instant coffee (not decaf)
 - Instant powdered creamer
 - Lemonade Gatorade
 - Bubblegum and chewing gum
 - Patriotic cards/letter of gratitude
 - Gift cards of any denomination for stores like Target, Walmart, and sporting goods stores. This is a high priority of the New England Center & Home for Veterans, and will support homeless veterans transitioning into permanent housing. The gift cards will allow Veterans to purchase basic necessities as they move into a new home.
- Items will be collected inside the Thayer Memorial Library
- The drive will end August 31st.
- If you have any questions please contact Margot Sonia at margotjsonia@gmail.com
- This drive is part of Margot's 9.11 service through Project 351. For more information on Project 351, visit: www.project351.org

THANK YOU FOR YOUR SUPPORT

We spark imaginative learning!

MAD MIXTURES

Exploration into the world of chemistry is the theme. Through amazing experiments, the children will gain an understanding of chemicals, chemical reactions and density.

Mad Science Preschool Programs are engaging hands-on learning experiences for preschool children aged 3-5. Each workshop is an interactive, age-appropriate exploration of a specific science topic. From air, our animal friends and butterflies to water, weather and worms, each themed program is designed to captivate the curious nature of young children.

Preschoolers enjoy engaging demonstrations, perform simple experiments and will discover how science can help us better understand the world around us!
