Bolton Fair—August 14th through 16th!

The Bolton Fair is a traditional New England fair with animal exhibits and shows, crafts, artisans, entertainers, a midway, and a farmer's market. The fair was originally held in neighboring Bolton, moved to its new location in Lancaster in 2004 to further expand the exhibits, booths and entertainment. The Bolton Fair draws attendees from all over New England and is one of the few remaining fairs to focus on family, agriculture and animals. The 133rd Bolton Fair will be held on August 14th through 16th, 2015. The Midway will open in the evening on Thursday, August 13th. In 2015 entertainment will include The Extreme Motocross Show, A Demolition Derby, Lumberjack Show, and several bands on our new outdoor stage. The Bolton Fair is located on 53 acres of woods and fields along the Nashua River on the Lancaster / Bolton line, 4 miles west of exit 27 off of I-495 on Route 117 in Central Massachusetts. For more information, go to:

For the third year, Community Recreation Association For Towns (CRAFT) will be running their multi-recreational summer day camp, Camp CRAFT Lancaster for residents and surrounding communities. The camp offers a multitude of great activities for kids between the ages of 5-13: Archery, tennis, arts & crafts, red cross swim lessons, basketball, fishing, mad science, legomania...the list goes on and on! Activities take place at the Lancaster Community Center where there is an indoor gym, classrooms, ball fields and tennis courts. Campers are shuttled to the town beach and Mirror Lake for their red cross swim lessons and water activities. The program runs for nine weeks between June 29th - Aug 28th from 9AM-4PM with extended day available as well. You may register your child for one week at a time. You may see all of the details by visiting:

August 5th at 4 pm

Earthworms, Our Humble Heroes

This program by Hands On Nature teaches children about our humble hero, the Earthworm, and the incredible role it plays in our environment. Students will learn how such seemingly simple creatures can do so much for the Earth. We will observe these amazing creatures up close with magnifiers, and will discover their unique anatomy. **Each family can make a worm farm to take home; bring a glass jar with you, a spaghetti sauce jar works well.**

This program is free and funded by the George K. Progin Estate.

Tuesday, August 11th at 1:00 pm

Little Door Education presents.....

Build A Batmobile!!

Registration is required

Batman is in need of a new Batmobile. His new vehicle should be designed to excel on three different terrains. By starting with a basic mouse-trap car, we will modify the vehicle in order to provide Batman with the best Batmobile yet!

For ages 7 to 12; registration is required and limited to 12 kids.

This program is free and funded by the George K. Progin Estate.

Thursday, August 13th at 2:00 pm

KIDZ CAN COOK

Pre-registration required

Debbie Alsebai will return to teach the kids how to make yummy cream puffs. While cooking, kids will learn to read recipes, see how math is used in cooking and find out what can be recycled and composted.

Registration required; Ages 5 and up; total of 20 children.

Parking is in the rear of the library off Harvard Road.

Paid for by funds from the George K. Progin Fund
