Mark Twain said that humor is mankind's greatest blessing—but he was blessed with a great sense of humor. If you're not Mark Twain, you may think writing funny is no fun at all. It can be fun, if you know how to do it. Join us for a two-hour workshop and learn why and how to equip your writer's toolbox with a tickle feather and a giant foam rubber hammer. Your readers will thank you, after they catch their breath.

This is both a lecture and a hands-on workshop. Writers interested in one-on-one feedback may sign up for the humor intensive offered the second week. Participation in Part II requires attendance at Part I. To register for Part II, visit sevenbridge.org.

Paula Castner is the Chief Operating Officer for Seven Bridge Writers Collaborative as well as a freelance writer, playwright, drama director, writing workshop facilitator, baking coach, and professional administrator. Her pieces have been published in a variety of venues, from parenting magazines, to newspapers, to online magazines, and have claimed first prize in several writing contests. Her play, *A Fairy Tale Life? A Musical*, with music by Canadian folk artist, Nancy Beaudette, was performed in Lancaster, Massachusetts. She is currently working on her second musical, set in an art museum. Her long-term writing project is a fictionalized account of a historical court case about a slave girl from Holden, MA.

DAVE AGANS, corrupted by *Mad Magazine* and *Get Smart* at an early age, began writing spy spoofs in the sixth grade. He has since written the musical comedy, *Hot Buttons*, dozens of comic stage monologues, the popular, humorous technical book, *Debugging*, and the conspiracy satire, *The Urban Legion*. He also discovers and reviews funny fiction in *The Yucks-Files* blog. Dave can be recognized on New Hampshire golf courses by his flawed swing and on the roads by his AMUSED license plate.

What's A Pomander?

HOW TO MAKE ORANGE AND CLOVE POMANDER BALLS

Take firm oranges and stud them with whole cloves. That's it!

You can also use a toothpick to make pre-made holes; this is helpful for children because the cloves can hurt their little hands (and ours).

Be creative and arrange the cloves in diamonds, circles, or other patterns. As the orange dries, it will release a delicate, spicy fragrance.

REGISTRATION NOT ABSOLUTELY NECESSARY- BUT WOULD HELP TO KNOW HOW MUCH MATERIALS WE NEED FOR THE POMANDERS WILL ALLOW FOR TWO A PERSON

Message from the President

As we enter our 31st year, the members of the Executive Board and I are excited to present our four programs for the 2019-2020 season.

As the oldest town in Worcester County, Lancaster holds numerous treasures stretching back to pre-colonial days. This year, I am excited to be involved more directly with program planning that involves not only Lancaster but also our general region and Harvard, one of our daughter towns.

Also, we have also just finished working with Lancaster's Boy Scouts on improving the Rowlandson Rock Historic site up on George Hill and the Town Pound Historic Site along Langen Road. Do stop by and take a look if you happen to be in the vicinity of either one. The Herbert Hosmer display is also coming together nicely in the new Exhibit Room in the Prescott Building.

As always, we look forward to seeing you this fall at our first meeting, and please bring a friend or invite a new resident in your neighborhood so they can learn of Lancaster's deep, rich and colorful history. We truly have much to offer. All are welcome.

Enclosed for your convenience is a form for you to submit your membership dues. Thanks so much for your continued support.

Heather Lennon, President
