Turn Markers

Into Energy!

Dear Lancaster Residents,

My name is Bella MacNeil, I am a senior and a member of the National Honors Society at Nashoba Regional High School. I'm excited to tell you about a very special program I'm coordinating at Mary Rowlandson Elementary & Luther Burbank Middle School in conjunction with Crayola. It's called Crayola ColorCycle – an amazing new program devised to turn used markers into energy!

All around Mary Rowlandson Elementary & Luther Burbank Middle School students and teachers will be collecting used markers that are ready to be discarded. The markers will be sent to a facility where they will be converted into clean fuel. This fuel can be used to power vehicles, heat homes, cook meals and more!

Please help support our efforts by sending your kids in with any used markers you may have around the house – even non-Crayola brands. Drop-off boxes will be located around the school for your child to deposit the markers.

Thank you in advance for participating! With the help of parents like you across the country, the Crayola ColorCycle program can keep tons of plastic out of landfills each year.

Remember, don't throw out that used marker—*ColorCycle it!*

Sincerely,

Bella MacNeil

Dexter Drumlin Full Moon Walk

Saturday, January 19th from 6:00 – 8:00 PM

By the light of the silvery moon, please join Lancaster Recreation for a night of good winter fun at Dexter Drumlin!

Park at 198 George Hill Rd, Lancaster and follow the foot path to the top of the drumlin.

We will have a campfire, hot chocolate, coffee, snacks and entertainment.

Dress warm and weather permitting, bring sleds and snowshoes!

To sign up or for more information:

Andrea Kiuru-Shepard - ashepard@lanasterma.net 978-549-3514

What makes Dexter Drumlin special?

As the last glacier scoured the New England landscape, it formed glacial drumlins... hills running parallel with the direction of the glacial flow.

The Dexter Drumlin was formed over 10,000 years ago. The Dexter Drumlin is part of a 35 acre reservation that is saturated with lush meadows, hay fields, and wetlands. This typical New England terrain shares its boundary with the historic Nashua River.

Dexter Drumlin offers views of historic Lancaster and its surrounding farmlands.
