### **MIRROR IMAGE TO BE PERFORMED BY LUTHER BURBANK MIDDLE SCHOOL**

Luther Burbank Middle School Drama is proud to present *Mirror Image*, written by Flip Kobler and Cindy Marcu with music by Dennis Poore and produced by special arrangement with Pioneer Drama Service, Inc., Englewood, Colorado. Performances are scheduled for Friday, March 23, 2018, and Saturday, March 24, 2018, at 6:30 p.m. Performances will be held at the Mary Rowlandson Elementary and Luther Burbank Middle School auditorium at 103 Hollywood Drive, Lancaster, MA 01523. Tickets will be available at the door for \$4.00 for students and seniors and \$6.00 for adults. For more information, email [lbmsdramaclub@gmail.com](mailto:lbmsdramaclub@gmail.com).

Fantasy comes face to face with the hard reality of high school in this pop musical adventure where the best — and worst! — of both worlds meet. In the fairy tale world, princes are charming, and stepsisters are wicked. But the Woodsman dreams of being more than an incidental character without a name. When Cinderella's stepsisters find a portal to another world, they get zapped into a very real high school. The Woodsman jumps at the chance to rescue them, but the stepsisters have no intention of returning to the fantasy realm. The Woodsman finds himself in over his head and recruits the help of Danica, a hard-core realist who never believed in fairy tales. Meanwhile, the sky is falling in the fantasy world! As reality seeps into the fairy tales, the characters start to break free of their patterns and the classic princesses cross the portal and discover they can be their own heroes! You'll love this complex, rich tapestry of enchanted fun woven with a poignant, meaningful thread about what it means to be alive and in control of your own destiny.

**Flip Kobler** began his performing career as an actor before morphing into a writer. **Cindy Marcus** began her career as a director and actress before she picked up a pen. Together, they have been penning away ever since selling their first screenplay to Paramount Studios in 1988. They have over 30 published plays, 27 of those with Pioneer Drama. Teaming with composing partner, **Dennis Poore**, the trio formed Showdown Stage Company that specializes in teen theater. Dennis Poore began his theatrical career at Centenary College in Louisiana, in the chorus. From there, not only did the size of his roles increase, but so did his love of theater. Eager to be part of all aspects of production, he started composing. It was when Dennis partnered with screenwriters Flip Kobler and Cindy Marcus, that Dennis discovered a whole new aspect to his talents - composing/arranging shows for teens and tweens. His shows have been done across the country to SRO crowds and standing ovations. The three together run summer camps all across the country, from Florida to Missouri to Los Angeles.
