You may pay the 5.00 difference in person at the workshop.

Community Heating Oil Buying Group

For the past couple of years, an informal heating oil buying group has coordinated the purchase of discounted home heating oil for greater Lancaster area residents. Heating oil is delivered much as customers receive their heating oil today (through automatic fill or as requested by the homeowner). The heating oil supplier is one of the largest and best known companies in the area. Over the two-year operation of the program we have compared the delivered cost of the oil to the competition and found the buying group prices are consistently lower. If you would like more information about the "Tellert Group Buy," please contact Larry Shoer (LarryShoer@comcast.net).

Would you like to receive the "Community Crier" newsletter as well? Contact aturner@lancasterma.net to sign up!

"Complete the Streets" Walk to be held October 17th!

You are invited to participate in a Complete Streets Walk on Saturday, 10/17, 9:00 AM, starting at the Town Hall, following down Main Street, and returning back to the Town Hall. This walk is part of a Complete Streets study that is evaluating how suitable our streets are for pedestrian, bicycle and mobility-challenged users. The study will make recommendations for improving our sidewalks, creating bike lanes, and making our streets as user-friendly as possible. All Lancaster residents, business owners, public officials, young and old are welcome! For more information, go to:
