# ANNUAL TOWN MEETING LANCASTER MASSACHUSETTS <br> MAY 2, 2005 

#### Abstract

Abbreviated Notes

The Annual Town Meeting was called to order at 7:15 p.m. by Moderator Eugene Christoph. A total of 162 registered voters and 14 non-voting guests were signed in by Registrars Cecilia Thurlow, Anna DiPietro and John Ranieri. Vic Koivumaki, Jean Lidstone and Frank Streeter served as counters during the meeting.

Fourteen members of the Mary Rowlandson Elementary School $4^{\text {th }}$ and $5^{\text {th }}$ grade chorus led in reciting the Pledge of Allegiance, and then, under the direction of Pamela Cross, sang "Live Well" and "Thankful for the USA." Moderator Christoph asked for a moment of silence for Daniel P. Downing, Peter O’Malley and Robert J. Frommer, long-time Lancaster residents who had passed away in 2004 after dedicating years of service to the Town of Lancaster. Select Board Chairman Joanne Foster offered the Town's sympathy and support for the family of Alison Murphy, who had died tragically in a skiing accident the previous week. Moderator Christoph expressed the Town's appreciation to outgoing Select Board Chair Joanne Foster and outgoing Finance Committee Chair Nancy Stell-Kiely.

Nancy Stell-Kiely - with assistance from Nashoba Regional School District Assistant Superintendent John Antonucci, Minuteman Regional Vocational Technical School District Assistant Superintendent-Director Thomas Markham, and fellow Finance Committee member John Wojciak - presented a slide show on the proposed $\$ 14,118,246$ Lancaster annual budget for FY2006. The budget slide show presentation is attached as a separate document.

Mr. Markham also announced that a Lancaster student, John Pelletier, had just won honors as the top computer science student in Massachusetts and was going on to the national competition in June.

The reading of the warrant was unanimously waived by the townspeople in attendance. Article 1 - The reading of the Annual Report was waived; Outgoing Board of Selectman Chair Joanne Foster welcomed residents to the Town Meeting and thanked them for their support during her term of office. She thanked Dave Dunn and Company for printing the annual report, the department heads and committee chairs for writing their reports, and Clerk Sue Thompson for compiling the town report. She then recognized the long service of former Town Moderator James Burgoyne, and reported on the progress of the McNamara Task Force that had been formed after the November election. The Task Force has filed the Martin H. McNamara Bill, which would ensure survivor's benefits for any on-call public safety official in the Commonwealth who dies in the line of duty.

It was moved and unanimously voted to pull discussion of Article 12, the FY2006 budget, ahead of the other articles.

Article 12 - The Finance Committee proposed to amend the FY2006 budget by reducing the Nashoba Regional School District's budget by $\$ 150,000$, which would require a similar reduction in
the Bolton and Stow assessments bringing the total NRSD budget reduction to about $\$ 450,000$. After much debate, the amendment was defeated by majority vote. Marietta Poras then proposed an amendment that would eliminate the $\$ 7,320$ line item for Nashoba Board of Health Nursing Services from the budget. That amendment also was defeated by majority vote. Discussion followed about the need for a $\$ 150,000$ Proposition $2^{1 ⁄ 2}$ Override vote in next week's Annual Town Election to fund the full budget. In the end, the Town voted, by majority vote, to appropriate $\$ 14,038,691$ and transfer $\$ 79,555$ from the Water Enterprise Fund to defray the expenses of the Town for the Fiscal Year beginning July 1, 2005.

The full approved budget is attached as a separate document.

Article 2 - The Town voted unanimously to authorize the Treasurer-Collector to enter into a Compensating Balance Agreement or Agreements for FY2006, pursuant to G.L. c. 44, §53F.

Article 3 - The Town voted unanimously to request the Board of Assessors to commit \$15,000 from the FY2006 Overlay Account for Abatements to fund the Senior Citizen Work-off Abatement Program.

Article 4 - After some discussion and assurance that the clean-up at the Highway Barn was expected to be finally completed next fiscal year, the Town voted unanimously to take $\$ 45,000$ from Free Cash to finish the environmental remediation of the Department of Public Works Highway Garage.

Article 5 - The Town voted unanimously to authorize the following FY2006 Revolving Funds, in accordance with G.L. c. $44, \S 53 \mathrm{E}^{1}$ ²:
